The State Nature Protection Establishment
NAROCHANSKY NATIONAL PARK

Announcement letter № 1

Dear colleagues,

we would like to cordially invite you to take part in the **V** International Scientific Conference

**"LAKE ECOSYSTEMS: BIOLOGICAL PROCESSES,
ANTHROPOGENIC TRANSFORMATION, WATER QUALITY"**

devoted to the memory of corresponding member of NASB, professor A.P. Ostapenya

The Conference by tradition will take place on the premises
of the Educational-Research Center "G.G. Winberg Naroch Biological Station" of BSU
in Naroch town, Myadel district, Minsk region, Belarus

Scheduled dates: **12 to 17 September 2016**

Working languages of the Conference: Russian, Belarusian, English

The main topics to be discussed are as follows:

- ✓ structural and functional organization of lake ecosystems
- ✓ biological diversity of aquatic communities
- ✓ anthropogenic impact and its effects on aquatic ecosystems
- ✓ aquatic ecosystems resistance and the factors that determine it
- ✓ non-indigenous species in aquatic ecosystems
- ✓ water quality assessment

Detailed requirements for participation in the Conference will be delivered in the upcoming announcements, as well as on our website www.bio.bsu.by/hydrobio/news

The registration for the Conference will take place from 1 December 2015 to 1 May 2016. The link for online registration will be in 2nd announcement letter that we will send in December.

We would like to kindly ask you to spread this announcement among your colleagues. If you want to get Conference announcements please contact us by e-mail naroch2016@gmail.com

Sincerely,
The Organizing Committee
